Ilan,

This is amazing. I thought that if Paul Tudor Jones hears that we want to visit him, he will invite us to stay with him …

Well if it doesn't function, I guess we will have to stick to the original plan…can you at least move it one week before to start at 29/9 ?

Ehud, Nili : ?

Best, Meir.

Hi Meir

We have been trying to sort out the best possible program for the given dates in June, have also checked other options.

At the moment it's not patching up well.

Grumeti Reserves is fully booked at all lodges (Faru Faru, Sabora, Sasakwa and there mobile) Tarangire is also a problem … even northern Serengeti if we want to include a couple of nights for the diversity. For whatever reason … this year second half of June is as peaked as July August.
Grumeti Reserves closes from the for owner this year from 1st to 25th of July so dates before and after and very hard to get.

Is the change a definite?? Or … if too hard to get a good program which I don't want to compromise on … would October still be an option as it really worked out beautifully as set?

Ilan,

I just had a meeting with Ehud and Nili and we want to return to the original date of the second part of June.

Best would be to depart on Saturday night June 22.

Please, advise a possible program.

Thanks, Meir.

Hi Meir

Final itinerary now confirmed and based on:

Days	Accommodations	Meals	Activities	Locations
06-Oct-13	Oliver's Camp	GP	Game drives	Tarangire River Camp
07-Oct-13	Oliver's Camp	GP	Game/Walk	Tarangire River Camp
08-Oct-13	Oliver's Camp	GP	Game drives	Tarangire River Camp
09-Oct-13	Olakira Camp	GP	Game drives	Serengeti National Park
10-Oct-13	Olakira Camp	GP	Game drives	Serengeti National Park
11-Oct-13	Olakira Camp	GP	Game drives	Serengeti National Park
12-Oct-13	Sabora Tented Camp	GP	Game drives	Grumeti Reserves
13-Oct-13	Sabora Tented Camp	GP	Game drives	Grumeti Reserves
14-Oct-13	Sabora Tented Camp	GP	Game drives	Grumeti Reserves
15-Oct-13	Out-flight from Sasakwa	Out	Out	Out-ET-JRO

Please note the following –

- On 6th you have a private charter on arrival from Kilimanjaro airport to Tarangire NP.
- Your booked at "Little" Oliver's Camp which is a new smaller extension to Oliver's, more intimate but same standard (very good)
- In the Serengeti Sayari is waitlisted at the moment but we've blocked Olakira Camp http://www.asiliaafrica.com/Olakira/ this is an Asilia property (same as Oliver's and Sayari) as well and very good standard, it's a semi mobile shared camp, the big advantage is that it's the closest lodge to the Mara River and closest to some of the best river crossing sites, location for wildlife is the best in the north. We will still try and clear Sayari but if it doesn't rest assure it's an excellent option as well.
- Paul Oliver will be with you from the 6th to the morning of the 12th, you then fly from Kogatende to Grumeti Reserves and Paul fly's back to Arusha.

That's it, really great program and for this time of year its spot on with best wildlife locations and lovely camps attached, am sure it will be a good safari!!

Please let me know if we can go ahead and confirm all accordingly.
